## DEAR COLLEAGUE,

Jackson Heart Clinic, along with Mississippi Baptist Medical Center and St. Dominic Hospital, invite you to join us for the 2012 Cardiovascular Update at the Embassy Suites in Ridgeland, Miss. on Saturday, May 5. The CME program will begin early Saturday morning and end with a reception.

The purpose of this event is to update internal medicine physicians, primary care physicians, and nurse practitioners on the latest guidelines, technology, and procedures regarding diagnosis and treatment of a variety of cardiovascular disease topics. I know you are well aware of the dismal statistics regarding heart disease in Mississippi. It is our hope that with programs like this and in partnership with area physicians, we can improve both the quality of care and the quality of life of our patients who suffer from cardiovascular disease.

The event will cost \$35 for physicians and \$25 for nurse practitioners. We have reserved a block of rooms at the Embassy Suites at a rate of \$129 per night. The room reservation deadline is Monday, April 16. Space is limited, so I urge you to make your reservation now. Call 601-607-7112 and mention the May 5 Cardiovascular CME Update to receive the group rate. The deadline to register for the CME is Monday, April 23. Again, I urge you to sign up early because space is limited.

My partners and I hope you will join us for this event that will not only be educational but also entertaining. Please mark your calendars now. We look forward to seeing you there.

Sincerely,

A handwritten signature in black ink that reads "Harper Stone MD". The signature is written in a cursive, professional style.

R. Harper Stone, M.D.

## ACCREDITATION

St. Dominic Hospital designates this live activity for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation.

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**
